23 September 2014

Lawson Naidoo, Executive Secretary of CASAC has written to the Minister of Energy, Tina Joemat Petterssen, today requesting a copy of the Inter-Governmental Agreement on a Strategic Partnership and Cooperation in Nuclear Energy and Industry.

This follows a media statement yesterday by the Department of Energy confirming that an agreement for the joint construction of nuclear power plants in South Africa had been signed with the Director General, Sergey Kirienko of the Russian State Corporation, 'Rosatom'.

CASAC is concerned whether proper and appropriate procurement and other approval processes have been followed in respect of this Agreement.
